

PORE REFINING SERUM

Features :

This gentle renewing treatment is formulated with 10% mandelic acid to control oiliness, clogged pores and breakouts, and reduce a formation of pigmentation and aging lines. It helps to minimize pore size, restore firmness and brighten skin tone, while rice extract rehydrates and softens skin.

Active Ingredients : Tea Tree Essence, Salicylic Acid, Squalane, Argan Oil.

Directions : Apply on clean face in the evening. Use once every other day. May damp cotton pads with this serum and use on acnes.

Skin Types : Oily and acne-prone skin.
