## Nano Plant Stem Cell Instant Skin Soothing

Nano Botanical Ultracalming Mist with CIC2 Stem Cell (No.1)

1

Helps to combat skin inflammation and maintain a balance of cellular osmotic pressure

2

Nano Herb Complex  
Relieves swelling and burning sensation associated with treatment

3

Marine stem cell derivative has the properties of anti-oxidation, anti-inflammation and damaged skin repair

4

Faster penetration into deeper skin tissue for a maximum effect in soothing inflammation and replenishing the nutrients for skin recovery
