Micro-Silk C  
for eye care

0.5fl.oz (15ml)

# Formulate with Plant Extracts

## Arnica Extract

Arnica Extract helps heal broken blood vessels in various layers of the skin, thereby eliminating bruising and the unsightly appearance of burst blood vessels

## Calendula Extract

Calendula Extract can affect blood flow to the skin cells, provide antioxidant protection that reduces the appearance of wrinkles and age spots, and even the visibility of scars

*This very silky unscented formula is designed to revive tired and fatigued around the eye area.*
